Adele Richardson 2011

Being a College Reader

In this essay, discuss what you've learned so far about reading for college. Use your new knowledge and recent experiences to give advice to incoming freshmen.

Your paper must contain the following:

1. A description of frustrations with reading you experienced before you came to UCF
2. An explanation of skills and knowledge you wish you would have learned in high school
3. Advice you can give incoming freshmen so they will have an easier time with college reading
4. Keywords you learned from the readings

Additional Requirements:

Length: 3 full pages

Format: MLA (see the handbook, page 410 for help)

Font: 12pt Times New Roman

Spacing: Double

You do NOT need a works cited page or in-text citations. Just write!
